HAZARD	PERSONS AT RISK	PRE-ACTION RISK H/M/L	PRECAUTIONS TO BE TAKEN	POST-ACTION RISK H/M/L	FURTHER ACTIONS
Increased or emphasised risks associated with participants with limited abilities (e.g. children, elderly or disabled).	SEE HAZADRD	H	<ul style="list-style-type: none"> • The guide will endeavour to thoroughly ascertain the abilities of each individual within the group, paying particular attention to persons with limited abilities. • Each individuals' ability must be carefully considered by the guide and the activity planned and conducted accordingly. • Participants under sixteen years of age must be accompanied by a responsible adult at all times and that adult must ensure that the child or young person fully understands the risks and will adhere to the precautions given in the risk assessments. • Persons with disabilities that significantly hinder their ability to safely undertake the activity must be accompanied by a carer who - through reading, understanding and adhering to the risk assessments - will be responsible for the safety of the individual. 	L	<ul style="list-style-type: none"> • Should limited abilities, or more severely limited abilities than previously disclosed, become apparent during the activity, the activity may be modified or abandoned. • Thorough briefing and Q&A by the guide prior to commencing the activity. • Openness and honesty continually encouraged by the guide to ensure an enjoyable and safe experience for all participants.
Falling overboard due to slippery surface or losing balance due to rocking of the boat.	ALL	M-H	<ul style="list-style-type: none"> • Once aboard the boat, all members of the group remain seated unless directed or permitted to move by the guide. • Fishing from a standing position is not permitted. • If changing seats is required it is done carefully and under direct instruction from guide. 	L	<ul style="list-style-type: none"> • Group to be attentive and follow guides instructions. • Guide to be vigilant at all times.
